when they send an email about a med it does not give the name or who it is for but references the new rx not the old so you have no idea especially if you andor your spouse have several meds

[earthworkshealth.com](http://earthworkshealth.com)

what happens when a person's sense of pleasure is critically dampened? not only may motivation and drive for sexual activity go down, but so do fantasies about sex, which can strengthen one's libido
